

RAGMSA Newsletter June, 2020

"Rotarians can make a difference" Together, Rotarians, families and friends, are stronger than MS. Our ultimate goal is to bring the world together to improve the quality of life of everybody affected by MS and to end MS forever.

Our aim is attract new members to join our team to help us manage RAGAMS, take on a roles such as country managers or officers.

Diana and I and founding MS Awareness Committee have had a challenging year.

After attending The RI Hamburg Convention we booked an Exhibition Booth for Honolulu, but along with other events in Australia all were cancelled due to the COVID epidemic.

The good news is that we have been forced to look at new ways to keep our RAGAMS going.

Firstly our Jacob Taurins Memorial top up PhD Scholarship recipient started work in March 2020.

May 28 President Bernhard Karli Rotary e club of London asked us to present at their Zoom Club meeting. CEO MSIF Peer Baneke and Martin presented, Please view by clicking on the following Link; zoom 028th May2020 speaker meeting on MS (3).mp4

In July Rtn Raghu Allam D3190 Action Groups Chair and Shankar Subramanian member of Rotary Club of Bangalore Rajmahal Vilas D3190 contacted us wanting to create an MS Action Group in India. RAGAMS (India) was successfully launched via Zoom with over 100 participants participating. Please view by clicking following Link;

In October PP Lina Lugheresia, Rotaract Club of Ngong Hills D9212 Kenya and Co-ordinator Intarconnect invited RAGAMS to a Zoom Interview to promote Rotary Alumni to reconnect with Action Groups as part of Rotary Reconnect Week. Please view by clicking on following link; https://www.facebook.com/2023768591248320/posts/2527447860880388/

We want Rotary clubs to partner with RAGAMS and MSIF www.msif.org

We need to reconnect with lifetime members and people with empathy for people with MS and to take on an active role in RAGAMS.
